

Your Support in Action

Your participation in the Sporting Clay Benefit supports the shooting sports program at Falley Scout Reservation and the Scoutreach program serving more than 700 at-risk youth.

The Jayhawk Area Council, Boy Scouts of America makes a difference in the lives of more than **5,500 youth** in **11 counties** through our mission to achieve excellence in fostering character development, citizenship, and fitness of young people to prepare them to make lifelong moral and ethical choices by instilling in them the Scout Oath and Law.

Ravenwood Lodge is an outstanding destination. From sporting clays, bob whites, big roosters, prairie chicken, turkey, deer, lodging, and great food, Ravenwood has been featured on Curt Gowdy's Outdoor World, OLN "Pull" America's Top Gun Clubs, and Field and Stream Cast and Blast.

The Sporting Clay layout for the Benefit is unique by offering an 11 station English Sporting Clay Course. The course simulates bird and game hunting. From the beginner course on the 5 stand lay out to the English Sporting Clays for the bird hunters to the Tower Course, Ravenwood offers clays for everybody's enjoyment.
